

Crash, who has gone on a quest to look for the Power Stones...

Hey, Crash, don't give up!

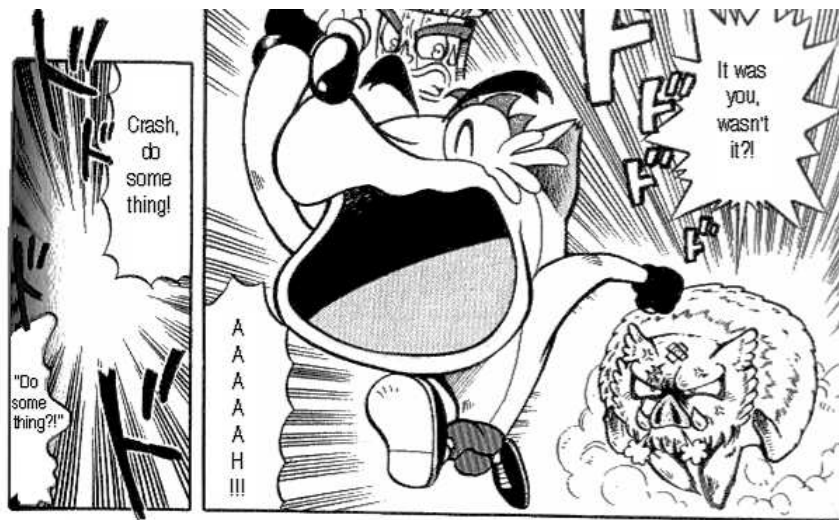

I dun wanna- I'm too tired-

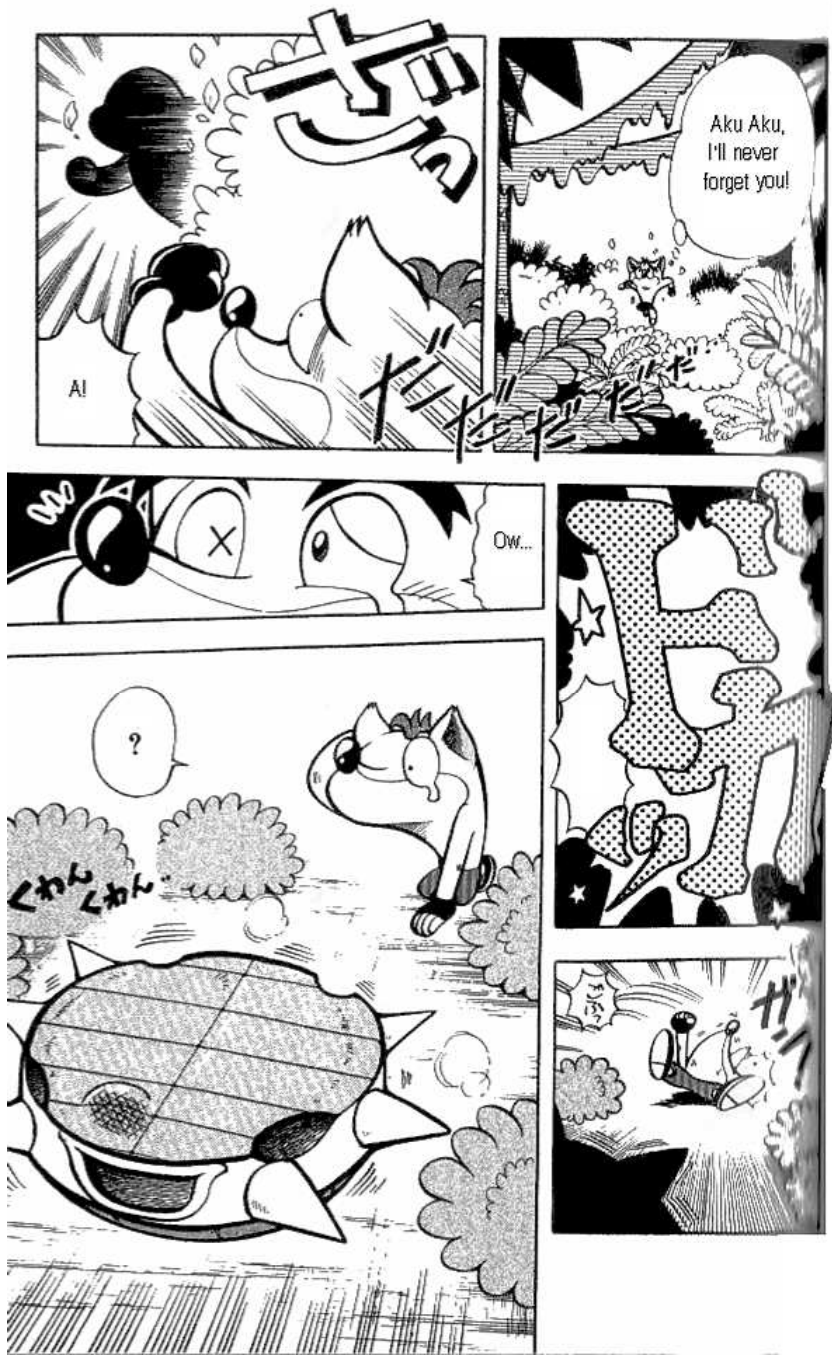

くた〜

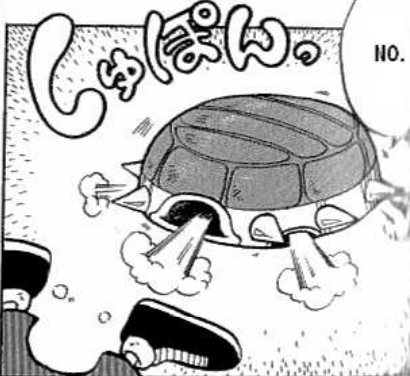

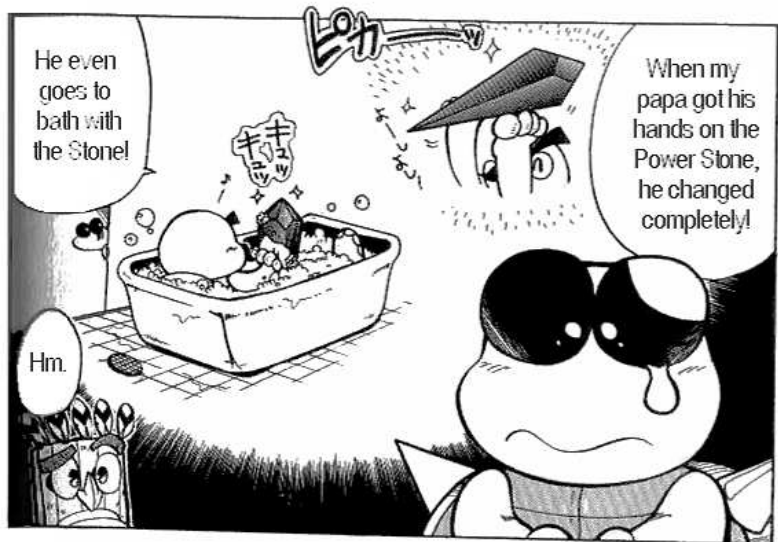

STAGE 3

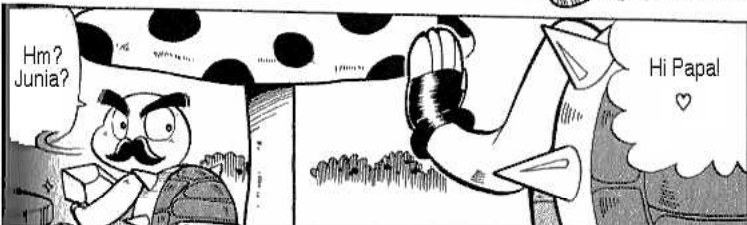

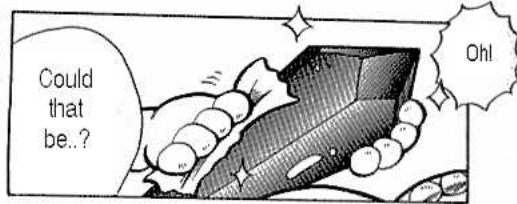

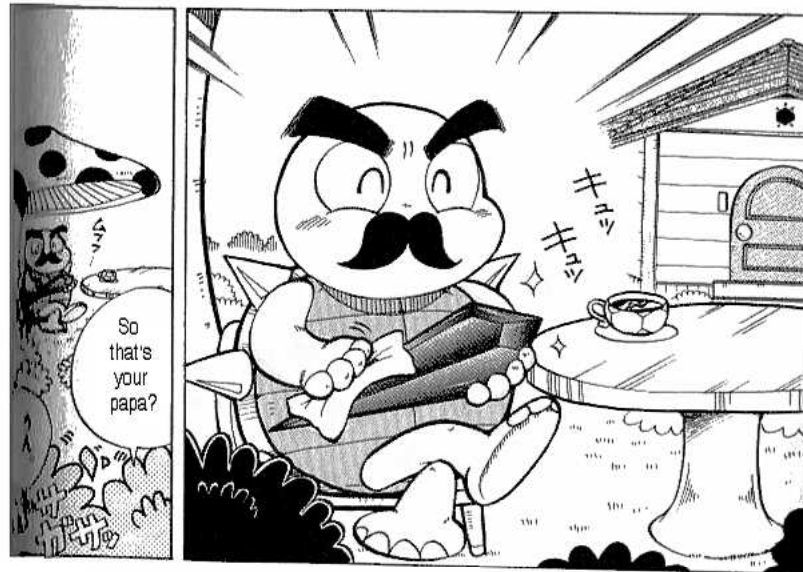

Get them!
the Power Stones!

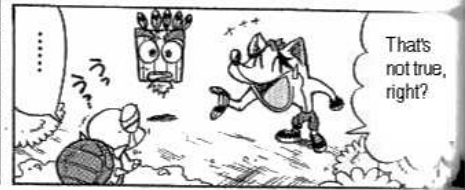

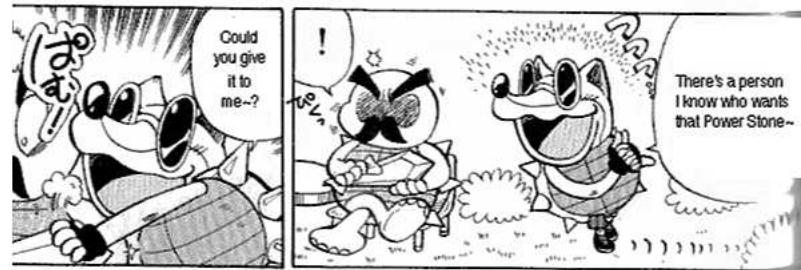

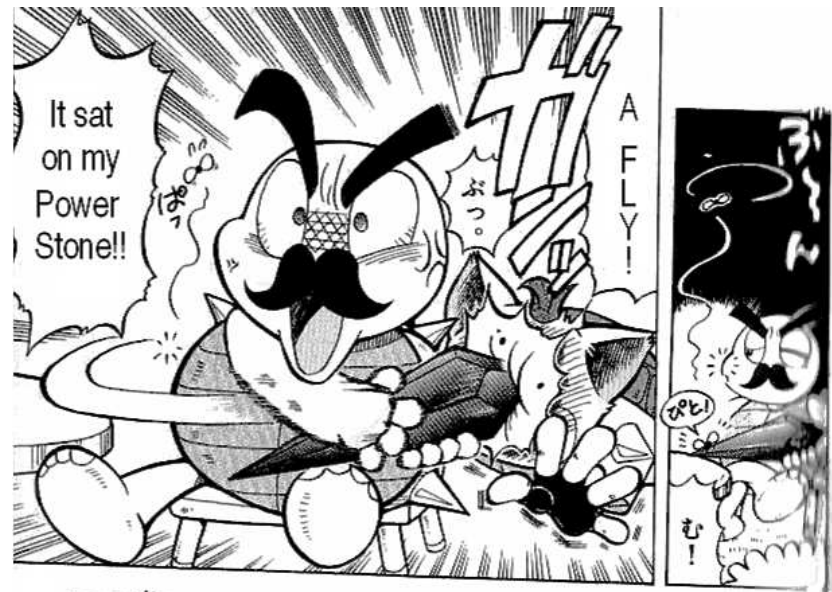

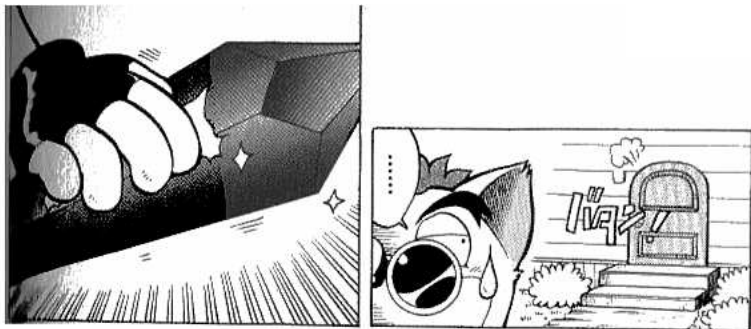

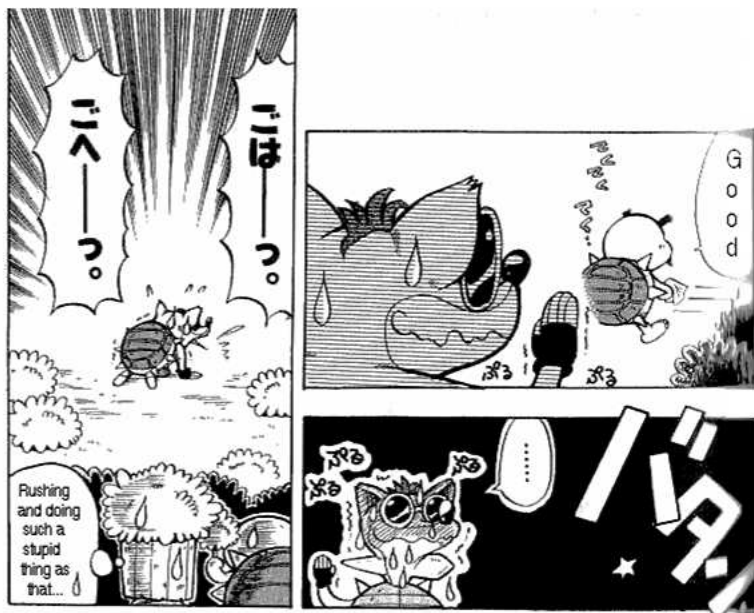

クラッシュバンディクー 1

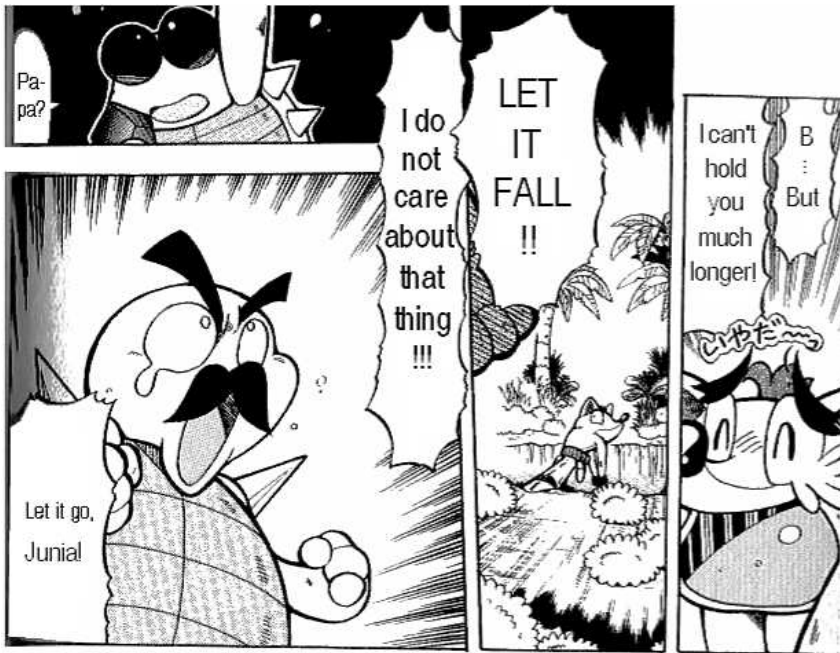

75 Note: In Japan, people rather call others by their names (for "dad", etc) when they talk to them face-to-face, instead of using "you", which can be found a bit rude. Talking about rude, Papa calls "Junia" "omae", a rude way of saying "you".

* Crash was yelling on a very manly way
