There's no way I'll lose Cortex!
Hmp!
Alright! Let's go!
Who are you?!
Just a sec

It's because of that attitude of yours that we've got only two Power Stones!
I can't stop myself from sneezing!
Get some manners!
YOU SHUT UP
Hey, would you stop that...?
A lot of things!
And what have you done to make it easier to find those stones?!
Just what I wished for!
Let's go different ways and see who's gonna find a Power Stone first then!

Try turning your will power into fire again...
But it's cold in here!
What's that?
HOLY!!

Scary
It must've seen some thing scary
Isn't that a baby polar bear?
What's with you?
How am I going to find the damn stone?!
Wonder what it is...
That's rude you know!

?
Eeh ?!

ぴょんぴょん
ギク
But I doubt that you've seen any of these before.
We're looking for things which look like this!

Note: "Polar bear" is in Japanese "shiro kuma", which means literally "white bear". Since "Polar bear-kun" sounds ridiculous (especially since the bear's name is "Polar"), I used "White bear".
White bear-kun
Wait a bit, will ya?
!?

This way!
Why would he lie to us?!
He's seen one before?!
Hey wait! There's no need to hurry!
Just how will I...?
Well, I can't ask it since it hates me...
I'm a genius~ ♪

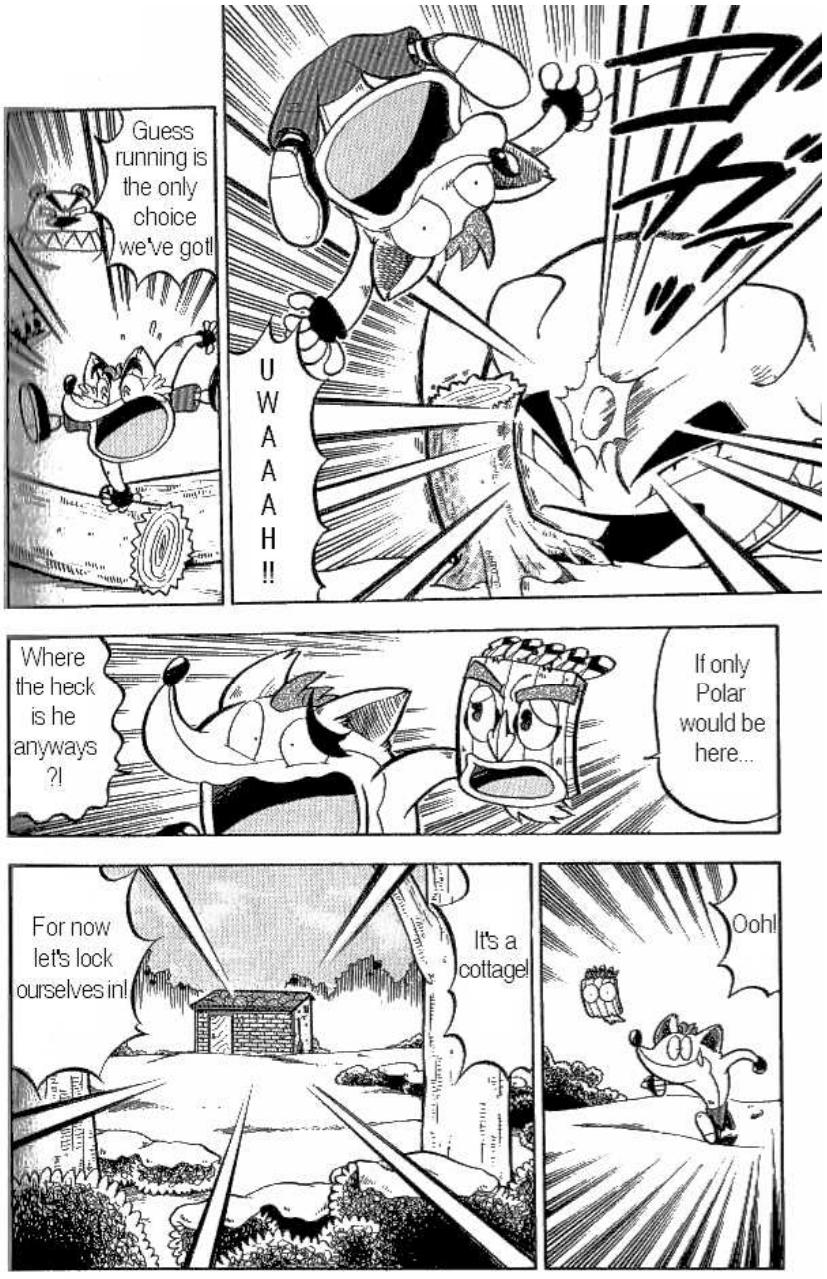
I wonder if he's talking about Polar..
I saw you tease him right infront of my eyes!
Okay !
But right now, we have to hide!
Neither do I, but he's so pissed that he must have a good reason for it!
I don't understand this!!



Guess running is the only choice we've got!
UWAAAAH!!
Where the heck is he anyways ?!
If only Polar would be here...
For now let's lock ourselves in!
It's a cottage!
Ooh!

I'll easily break this wood door!
Hiding is futile!
Don't use me as a barricade...
Whopsie!
Huh? Where's Aku Aku?
Seems like this door opens only from inside...
Teh...
That should work!

And now you're gonna apologize to Polar.
Tell me where it is!
Why you little...! Tell me! Now!!
